

A CANOPY
DESIGNED FOR
RAIN AND **SUN**
PROTECTION.

VELARIUM

THE NEW

FREESTANDING CANOPY
with a fully retractable roof.

VELARIUM

The Valerium offers shelter from the rain and shading from the sun! When required, the freestanding canopy has a fully retractable roof that is manually operated with an 'easy-and-slide' system.

The Valerium canopy can be opened from both ends and can drain to one or two sides.

IDEAL SOLUTION FOR:

- **Hot tubs**
- **Decking areas**
- **Patio**
- **Outdoor living expansion**
